

## How it Works

1. Must be 18 or older to participate and have an active Winona Public Library Card.
2. Must read or listen to five books & record them on the reading log. (Logs are available at the Checkout & Reference Desks.)
3. You may only count books towards the program if they are from the library or the Interlibrary loan (ILL) System. (OverDrive eBooks & audiobooks count.)
4. After you return your first reading log to the Reference Desk, you will receive a free library coffee mug.
5. Your slip(s) will go into a drawing for several different grand prizes. (Turn in slips to the Reference Desk.)
6. You may reenter the drawing multiple times but only qualify for one coffee mug.
7. You cannot count books that you finished before the program.
8. You may count books that were started before the program but did not finish until after the program began.
