

# Upcoming Reopening Phases

As we work to provide safe access to resources, our top priority is the health of our community. Here's a snapshot of what's next at Winona Public Library.

Progression to each new phase will be based on case trends and health and safety guidance from city officials and the Community Response Team. Information is subject to change.

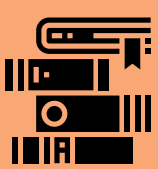

For more about our services, visit us at [winona.lib.mn.us](http://winona.lib.mn.us), email us at [winonapl@selco.info](mailto:winonapl@selco.info), or give us a call at 507-452-4582.
